

THE DIRECTORY IS COMING! DON'T BE LEFT OUT!!

The MWES Student Directory is a great book to have around. It is essential when calling for play dates or answering questions on homework assignments. Not only does it include information on the students and parents, but it also contains information about your child's class roster, MWES staff roster with email addresses and MWES PTA committee contacts. Don't miss out! Send in your name today!!

We need your permission to include you in it.

By signing this form, please know that you are allowing Manor Woods PTA to publish this information publicly. We will include a request in the directory that the information be used only for personal, PTA, or school use, and not for other business uses. However, the school or the PTA no longer has control over this information once the directories are distributed. We respectfully ask all people in the Manor Woods community comply with this effort.

Please fill out this form and return it to your child's teacher as soon as possible. If you have more than one child at this school, you need only to submit one form. If you have any questions, please contact Jennifer Peffall at 410-465-3684. Thank you!
