

DO YOU LOVE TECHNOLOGY?

Join one of the PTA Sponsored After-School Programs for students

DIGITAL PHOTOGRAPHY:

How Long: 8 weeks on Tuesdays **Who:** Third, Fourth and Fifth

Graders Time: 3:20 – 4:20 **Cost:** \$110 Registration Fee

Dates: Jan. 24th, 31st Feb. 7th,14th,21st, 28th March 6th, 13th Make Up Day (if necessary) March 20th

Description: Students will participate in a series of lessons designed to introduce beginning photographers to the basic techniques of digital photography. They will practice applying a variety of techniques when taking photographs in and around the school. Students will download their pictures and add them into their portfolios and edit them weekly in iPhoto. Using these skills they will choose from a variety of projects and have the opportunity to create a calendar or photo book to display their photographs. For an additional fee, ranging from \$20 - \$30, students can order their projects online through iPhoto and have them professionally printed if they choose. **Students who have previously taken a photography class will continue learning techniques of how to take “good” photographs and will advance their photography skills.** Students will receive a disc of their pictures at the end of the class. **Cameras will be provided.**
